Spunky Food Co., Ltd., is a growing food manufacturing company situated in an industrial zone in Phatum Thani (Northern Bangkok, Thailand).

We take pride in our strong partnerships with major retailers in Thailand, including 7-Eleven with nearly 14,000 stores, along with Big C, Mini Big C, Jiffy, and Villa Market. We export to Australia, China, Laos, Oman, Saudi Arabia, and the United States. In addition to our expanding product range, we are also dedicated to Private Label Manufacturing for businesses in Australia, Thailand, and the United States. Our guiding principle is that food should be healthy, delicious, and not over-complicated.

We refrain from adding sugar or preservatives whenever possible. Furthermore, we focus on minimal processing and premium ingredients, responsibly & locally sourced. We do not use animal fat in our production line, and we favor rice bran oil instead of palm oil.

We follow international manufacturing standards such as GHP, HACCP, Thai FDA and Halal.

In addition, we are currently on the process of becoming a BRC, BSCI, Kosher and ISO 14001 certified company.
